525/102 looks good for this case, for restriction requirement.

Meg Moore.

Hi!

I need a classification of claims 9-11 for restriction purposes in 10/668,992. Claim 9 is reproduced below.

I believe that these claims belong in 525/100 or thereabouts.

If so, please confirm. If not, please suggest an alternate home.

Thanks!

William Fletcher
